The Premises:

Her place was small but clean and tidy, you don't expect to be in a honeymoon suite at a five star hotel when you visit these girls. Parking was plentiful and fairly cheap nearby.

The Lady:

Unlike some girls she actually looks as good as the photos in the flesh, she has the same cheeky smile that I found endearing.

The Story:

I'd been wanting to see this girl for some time, there was just something about her look that I really liked, especially the shot in the powder blue dress.

She gave me a warm welcome when she opened the door, a gentle kiss to start with before I settled my account for the forthcoming action. I was pleased right from the start with my decision, sometimes I get a bad vibe and go on to be a little disappointed but this wasn't the case with Lolita, it was all good from the start. She looked very sexy indeed in her lingerie and high heels, wearing a flimsy and sexy top that did little to hide her lovely torso. My excitement was grown in my head as well as in my pants so I made the move to have a quick but full and proper shower.

Lolita had retired to her bed to wait for me, when I came out of the shower she was lying on her back with her knees bent and open so I could get a full view of her pussy that was barely covered by her tiny panties. Boy did she look like she needed a good shafting - and I was just the guy to do it.

I joined her on the bed, the sex was magnificent, but not before extended foreplay and a blow job without of the highest order. She loves to receive oral as well and being the patient type of chap I am I spent quite some time paying attention to her moist clit. Usually I go for two rounds but the foreplay was so good we were at it for at least half an hour. She told me she likes all positions so that's what we did, well most of them anyway, banging her pussy hard from behind was great, she moaned and groaned a lot and held the linen tightly and threw her head back as I went at it harder and faster until I couldn't hold out any longer.

Needless to say I am going to recommend this babe, a lovely sex session and she has a nice person. I always have a great time with Czech girls.

First time I have used this agency, they handled the booking really well.
