The Story:

I would warn you off visiting Abbie she is not very friendly and does not kiss or really want you near her for very long. She initiated the sex immediately and was encouraging me to finish almost as soon as I started. I mentioned as I left I had paid for 40 mins and it had been 13 minutes and she just laughed! She won't be there long I wouldn't imagine as the girls tend to be very good normally at Annabellas
