The Story:

Arrived at the flat, which was clean and modern. Greeted by Alana with a smile that put any nerves to rest. Offered a drink and once the business end was done she asked what could she offer, I replied 'I am here give you a good time.

Asked her to get comfortable and started to kiss her neck. No lips unfortunately. With slow intension I slowly made my way down her body. Once in between her legs I lick and sucked getting a great response.

She asked for no fingers, normal for escorts at mk, but after 20 min of not letting her cum she asked if I wore a condom over my fingers I could do what I wanted. 5 min later she came so strong my fingers were forced out of her.

Next came the return favour, done without it was a grat experience but I wanted to give her more so asked her favourite potion, missionary and doggy. Putting her back on her back I suited up and slid in, after a while she came again and quickly insisted I take her from behind. Once in she wanted it harder for my pleasure that did not take long in coming. 3 orgasms for her, 1 to me....perfect.

With 10 min to spare we talked about life, her English is very good.

Once time was up, I was given time to clean up and dress. Will love to see again as still would love to kiss.
