Profile Name: Inna Of Kingston

The Premises:

We met in a very comfortable apartment in Kingston not far from the river. Parking available and a very discreet entrance. Perfect for what we needed.

The Lady:

Even more attractive in the flesh than the pictures suggest. Jaw-droppingly beautiful.

Inna is very friendly and chatty - thoroughly entertaining between rounds.

For the GFE, Inna is a passionate lover

The Story:

This is the second time that I'd met Inna - the first was two weeks before and I was eager to return.

This was a proper Girlfriend Experience, with enthusiastic, passionate kissing and caressing.

It seems to be getting harder and harder to find escorts with the right attitude - ie having just as much enthusiasm and passion for the date that you have, and giving every impression that she's just as pleased to see you as you are to see her. Inna delivers in spades, so it feels more like a date that's gone unbelievably well rather than an escort meet.

If you treat Inna with the respect she deserves, you'll have the time of your life.

It's a bit like lighting the blue touchpaper of a sex firework and have it go off all around you.

Finally, either Inna really enjoyed the date, or she's an incredible actress - either way, she made me feel special which, after all, is the main reason I was there

Can't recommend Inna highly enough - left drained and smiling. Yet another return visit is already being planned.
