The Premises:

2nd visit to Lutterworth and the great Victoria House establishment.

Rear carpark, side discreet entrance.

Free carparking in town - would recommend a pint in the Shambles pub for pre-punt light refreshments (especially as its sunny).

Good facilities, showers, free coffee, paper and well reviewed upstairs waiting area - several nervous looking punters waiting their turn... Hey get with it guys... get a dressing gown on and relax into the experience !!

The Lady:

30s, blonde, very cute features. Relatively busty and dressed in a short black leather dress. Slight tummy on her but hardly a deal breaker as she's gorgeous.

Fantastic smelling, and her perfume wasnt bad either ;) (i`m joking)

The Story:

30 mins. Nice gentle massage. Turned over for main event. Bit of sucking and 69 (great pussy lips for the record) and then bent her over - she struggled with my size but she coped admirably.

Overall would recommend , especially if you like cute softly spoken blondes with a juicy pussy !
