The Lady:

Photos are accurate. She is Romanian, 19 y.o. 168 cm and 49 kg. Her looks are very young and very pretty. Her manners are charming, sweet and friendly. She is also very polite. She appears rather innocent in looks and behaviour. Takes instructions well and she is service minded.

The Story:

When Rebecca arrives my hotel suite is lit up by her smile and plenty of delightful girly laughter. I was immediately amazed by her attractive girly charm and pretty young looks. Rebecca has a gorgeous body all over, silk smooth and sweet tasting. She gives nice kisses and, although she is so young, she has good skills. Just looking at her in different positions in bed is a wow experience! Sooo pretty pussy, face and body! I expected that sex would be quite restricted (happens with many girls) and she indeed asked for gentle action. Starting very carefully allowed Rebecca to get into the right mood and her small pussy to adapt to my little friends size. The intensity of action could then be slowly built up. After several position taken to rather serious pounding I had started to be very impressed by this girl! Here I got no restrictions. WOW! Full deep hard action is handled well by this sweet girl. Didn't want to push her too much though and when I started to bleed down the bed sheets from a friction burn I got from the action, I stopped and went for a nice oil massage/oral finish. This was a very very good experience and Rebecca turned out to be what I hoped she would be – a sweet affectionate innocent smiling charming gorgeous teen girlfriend. Favourite material for me!
