The Premises:

Summit place apartment near Reading town center. small room with twin bed. Clean place.

The Lady:

very tall, big booty with shaggy boobs and tummy. Her age must be around 23-25. Was wearing a mask all the time.

The Story:

Not a good experience. As per the AW review I thought she would be good as per most of the african ladies I met. But, she is totally opposite, no kissing, didn't allow to do daty. Provided lousy bj with cover. tried cowgirl and doggy and ended the session within 10 minutes. A total waste of money. Would have tried good looking eastern European girl for the same money and same attitude. I am very reluctant of believing AW reviews now.
