The Story:

I called and arranged to visit and was let in straight away.
The girl was waiting for me in the room after I'd been shown in by the maid.
A quick look at her and handed over the cash.
I'd not had a chance to play with a WG for a while so was looking forward to the meeting. My usual MO is rim, lick pussy then fuck hard and deep. All of this was good, she was showered fresh and tasted nice and responded to my tonguing her clit and little pink holes. I know a lot of these girls fake it but this one seemed to genuinely enjoy my attention.
No hint of rushing me but I needed to try her out so on with the jacket and in I went. Very comfortable snug warm pussy that I enjoyed for a couple of minutes before shooting my load into her.
She cleaned my up and even offered me a massage, which I declined.
Highly recommended for the price.
