The Premises:

A modern upstairs flat near Old Street, the Liverpool Street end. It had shower facilities inside.

The Lady:

A friendly Hungarian girl, around a dress size 12 to 14 with large natural breasts.

The Story:

This was a very enjoyable massage/relief service performed on a bed. As massages go it was very enjoyable, not too soft or too firm and from top to bottom. She massaged me with her breasts at one point. The relief was nice and slow with a light grip.

I think the flat is shared by another girl.
