The Premises:

Plenty of parking, seems like a reasonably safe location. The outside of the property isn't well maintained, but overall it's fine.

The Lady:

The photos on adultwork are accurate. Quite short+slim. Long hair.

The Story:

Absolutely terrible. One of the worst punts I've ever had. Decent looking girl, but wouldn't remove her bra, positioned herself in a way it was super difficult to get deep penetration, just a horrible attitude all round. Not worth 4 quid, nevermind 40.
