### The Premises:

A nice clean little flat in a tower block in central Milton Keynes

### The Lady:

Short (say about 5' 2") slim with quite a good body and small tits, but showing her age in her face. Funny squeaky voice.

### The Story:

No kissing; soft massage (beware gents, if you are going home to a wife/girlfriend, Lottie uses perfumed talc!) and an interesting session of OWO, alternating between cold wet wipes and her having mouthfuls of hot coffee. Then we got rubbered-up, cowgirl; doggy and finally missionary. All good stuff, but much longer than 1/2 hour and I think the squeaky voice might have started to annoy me. (Very personal)
