The Story:

This was such a let down. The communications was good, and responsive. I got there on time and was given the apartment number to go to.

As soon as I entered the apartment I knew something was wrong as it she was hiding more than usual behind the door, and also not wearing what I had asked her to. As soon as I was in the bedroom and I sae her, I know it wasn't the girl. So I refused to give the money and said I was leaving. She then got angry saying I had to pay a fee for her time.

I walked past her and told her I was not wasting my time and was leaving.

AVOID!
