The Premises:

5 minutes walk from Edgware Road Station. Feels a bit like walking through the streets of Beirut, but that's the way Edgware Rd has gone. I was there in the daytime, and felt safe enough. Catherine's flat is quite small, but all I need is a functioning bathroom (check) and a nice bed (check) so it was perfectly adequate for the visit.

The Lady:

Catherine is a gorgeous and smiling 20-something. Ok, I understand that thais are often (quite a lot) older than they look, but she could easily pass for 22. Especially in the schoolgirl outfit she greeted me in. I had not requested any particular outfit, and was quite stunned when I saw her looking sweet and sexy like that... Slim and sexy body, with enhanced c-cups. They were done in the «porn»-style, so quite a bit firmer/harder than I prefer, but they looked great.

The Story:

I was greeted with a big smile, and made to feel at ease immediately. Was offered a drink, and after the paperwork was taken care of, and a quick (single) shower, we got down to business. Catherine turned out to be a great kisser, and we spent a long time snogging while I helped her out of her clothes (we kept the plaid skirt on, though...). A long and nice owo followed, with plenty of eye contact. I really wanted to taste her, so we ended up in 69 making her nice and wet. A vigorous cowgirl started the main event, followed by a bit of mish until I finished in doggie. A nice post-coital chat was nice and relaxing, but after a while the little fella woke up again. We did not really have time for a second session (I tend to be a one-pop-guy these days/years), but Catherine rubbered me up and did her very best to make me finish again. Even if we went a bit over time, I could not cum a second time, but I promised her that I would be back to finish another day. And as soon as my boss sends me back to London for work, I will return to Catherine, she is definitely a GFE that can put a smile on this old man's face.
