The Premises:

Usual HoD flat in Central London.

The Lady:

Young, tall, slender but curvy. Personally I would say one of the prettiest and cutest (slightly) freckled ones out there. As other reviewers said, fair complexion on a natural redhead. She speaks in a warm sandy voice. Exciting, playful and adventurous are probably the best 3 words to describe her persona. Again, trust the reviews, not the pictures. She looks way too gloomy on the website - perhaps marketed for specialist services which I will not be exploring today.

The Story:

Sabrina is surely my favourite out of the few I have seen recently. When the post-paperwork kissing started up I knew this was going to be a decent one. A gentle peck on the lips unfolded into erotic sloppy DFK. This carried on as we climbed onto the creaky bed. Usual service on offer including OWO, RO, CG and Mish - all services performed intimately, and the DFK did not stop. The action moved along seamlessly all thanks to her being so naturally bubbly. After finishing, she was happy to keep me inside for a few moments longer as we collapsed in an overheated heap of sweaty mess.

Later on Sabrina hinted she does more specialist services as advertised on the website, but it was a pleasant surprise to find that she defaults to a brilliant GFE without prompting. She may be going on holiday for a month or two, and means I won't get to see her again until then.
