Absolutely drop dead gorgeous, matched her photos to a tee.

The Story:

It had been a while since my last punt with the equally gorgeous Ruby and I was in need of some relief.

Had been checking the website and twitter feed for some time trying to decide where to spend my pennies and noticed the new photos of Nicole. I was planning to see her on the Saturday but unfortunately couldn't make it, but when I saw she was working on the Monday I knew it was a done deal.

Couldn't phone Annabellas until after work and thought there won't be any availability, but luckily there was. Home, quick shower and into the car MK bound.

Parked easily and headed to the apartment, door was answered quickly and was shown to the room when I told who I was there to see.

Waited nervously for Nicole to arrive thinking she'll never match her photos, but boy was I wrong...!! An absolute stunner, with such a pretty smile.

I'm going to keep the specific details of my visit to myself, suffice to say I will be back as this was one of my best visits to Annabellas/MKE since I've been punting for about 10 years.

Wanted to keep Nicole all to myself but I can't stop from smiling: people in IKEA must think a nutter.
