The Premises:

As ever, friendly reception, clean room, good shower.

The Lady:

A lovely lady with a really lovely figure on her compact frame and an attractive. She turned out to have very good English and a chatty manner, which suited me fine, especially as she was quick to compliment anything she liked in my body or actions.

The Story:

Luna was positive from the moment she walked into the room. We were soon in an extended clinch kissing with light tongues and letting our hands roam freely.

I was especially taken by Luna's pretty face, lovely shaped boobs and squeezable bum. Later I was to see at close quarters her really neat little pussy.

We moved onto the bed and Luna was happy to do anything in any position so we snogged, we did 69, snogged some more and then had sex in different positions with Luna fully into it as well as complimenting me on my efforts.

A lovely lady to spend intimate time with.
