The Story:

What a rip off, having to pay £20 on entrance, straight away knowing that i wont be getting that back even if i didnt like the ladies on offer, sherry was the only lady available at that time, think another girl was busy, my bad luck! sherry spent the whole time moaning about another girl working there, quick massage and i knew this girl was just not interested in any way, just accepted the massage as she was constantly saying no touching and no kissing,

closed my eyes and let her finish me by wanking my cock, while i imagined it was someone else!

Fucking expensive lesson learnt, and expensive wank, felt totally ripped off and will not be returning in a hurry
