The Lady:

Crystal is a tight, 25-year-old Brazilian girl with tits like bullets and a nice round ass. Crystal has a nice, friendly personality too and likes a good laugh as well as a good cock. I would say that she is a good match to her photos.

The Story:

We started off with some DFK and Crystal worked her tongue like magic to stimulate all my nerve endings. She tasted so good that I could have spent half the evening doing this to be honest. Still we had to move on to the massage and I'm glad we did. She was completely nude and it wasn't long before I had my clothes off. We got on the bed and she gave me a heavenly rub down relaxing my shoulders and pushing down in all the right areas.

I was in the mood for a 69 and this is another area where Crystal shows her Brazilian sexiness. We worked on each other to the max and she was doing some magic on my balls and cock. At the same time I was exploring her pussy which tasted great and we both moaned in mutual pleasure. After this I just had to get down to some hard shagging. So I got her in the doggy position and slid my rock hard end in and out at a keen pace. She screamed as my balls slapped up against her ass in rapid fire succession. I did not last for much longer after this and exploded all over her ass. Crystal is very hot.
