The Premises:

This parlour is well run , clean with ample on street parking very close by. Reception on ground floor with the rooms on 1st and 2nd floors. Quality of ladies available is above average, so sometimes difficult decisions have to be made.

The Lady:

Chose Electra originally because of the positive reviews she has recieved, so only fair to leave one myself. She is a typical northern lass, down to earth, pretty quite a few tattoos, well tanned and she delivers in bucket loads.

The Story:

Booked Electra the day before and shortly after arrival met her in reception, we had actually met before 2 weeks previously during a short half hour appointment, I thought this a bit rushed so had to return to " finish her off ".

Followed her lovely ass up the stairs sorted the finances out and showered, Just drying off when Electra returned. Now Electra does not hold back with her affections, as the towel dropped to the floor it was straight into a bout of DFK that took my breath away tongues and all. I then stripped her and repaired to the bed, what followed turned out to be one of the best GFE experiences I've had, After a great sloppy ball licking blow job I worked my way down her body and returned the compliment big style, Electra has one of the cutist pussy's I,ve seen and I spent a long time dining on her sweet juices, This finished off with her getting very vocal at the conclusion and scored me 11/10 for my efforts, this did my ego the power of good. After this it was time for the main course after enjoying my starter's very much. Electra jumped on cowgirl syle and rode me to completion like she was riding the winner at the Grand National, as we passed the winning post we brought things to a noisey and messy conclusion. Well done girl you are a star. The remaining time was spent in each others arms just caresing and cuddling, making this a very pleasurable punt indeed.
