### The Premises:

Well documented, GFE is located in the commercial district of Attercliffe. Has its own small car park with plenty of on-street parking available. Inside the establishment is clean and tidy, with a wall-mounted TV and refreshments in reception. The room I used had a shower which worked properly and was set to a comfortable temperature (always a bonus!). The bed was clean and comfortable.

### The Lady:

The first things I noticed about Cindy were her big bright eyes and dazzling smile. She really is rather striking. Compared to her profile pictures she is more tanned, but the rest of her is just as gorgeous as it is described. Very chatty, with a brilliant bubbly personality.

### The Story:

I arrived for my first punt in years, and first at GFE, with an order of preference based on the website and reviews. Five girls were on and the receptionist told me to take a seat and I was introduced to Layla and Electra. Now they are both stunning, but I had my heart set on Cindy. Then I heard a client being shown to the door and asked who it was that had just become available. It was Cindy! She came to say hello, I paid my dues, grabbed a water and followed her tanned, toned legs and bum up the stairs (only the one flight, sadly). Once the formalities were out of the way and I was showered, Cindy returned to the room, greeting me with a kiss. Onto my front for a massage with talc, Cindy was chatting away but she could've been reading out the phone book, so gone was I, especially when she turned her attention between my legs and spat on my balls. Turning over Cindy performed OWO as I stroked her arse and got a good look at her wonderful tits. On with the condom, it was into reverse cowgirl and then missionary to finish with Cindy saying the sweetest things in my ear. In all it was a great reintroduction to punting with a great girl. And if you're reading this Cindy, once again my apologies for the nibble!
