The Premises:

The place was alright, but nothing to write home about. I had a job getting parked which wasted some of my time.

The Lady:

Rita looked quite hot in the photos with what looked like a sexy body and a massive pair of tits. When I saw her in reality, I felt let down. Frankly, she looked a bit rough and a bit of a slapper. Her skin was not great, she looked absolutely knackered and she was in a bad mood. The gap between the advert and the reality couldn't have been bigger.

The Story:

I ordered some lap dance and had been waiting eagerly for this, but when it came down to it I was disappointed; she looked as if she was obliged to do it and it was very routine and unsexy to be honest. I tried to give her some deep kissing to get us going, but I'm afraid that she can only be described as a very mediocre kisser. So we got down to some hard screwing in the missionary position followed by some doggy style ramming. She was largely unresponsive and it just wasn't happening at all. I came on her face at the end of the session and that was it.
