The Premises:

I didn't have any problems finding Tara's place. The area is certainly very quiet, which is a huge positive. It is very easy to get to by public transport. The room she uses for massage is very clean and she creates the perfect atmosphere with candles etc.

The Lady:

The only way i can think of describing Tara is that i found her adorable within an instant of meeting her. She has a lovely smile and easy going way about her which makes you feel connected. She has beautiful blue eyes and a lovely smile, a lovely body.

The Story:

i just felt all my concerns lift as soon as Tara started her massage. It was pretty much the most sensual, erotic, and uplifting two hours i have spent for a long long time. She really knows how to pace a session so that you never feel she is rushing but just slowly leading you to a beautiful place of intense pleasure. Having that body to body contact is incredibly sensual, she knows exactly what to do and when. For me i wanted to totally connect with Tara and I feel that that is exactly what happened.
