The Premises:

The Blechley location is fairly discrete with parking at the back and a rear entrance. The bedroom in the attic was well furnished and had an adjacnt bathroom

The Lady:

Gorgeous long brunette hair and a great figure.
Very attractive eyes, long legs and great breasts!
The ultimate naughty secretary/courtesan

The Story:

Olivia immediately put me at ease and withing seconds we were kissing deeply.

I enjoy giving ladies pleasure and Olivia seemed to really enjoy the attention of my tongue!

She soon returned the favour and we spent a rapidly passing, passionate hour in every conceivable position with her finally returning the favour with those wonderfull breasts!

Cannot wait to see her again and hope she feels the same.
