The Premises:

A clean, pleasant ground floor flat in central Milton Keynes with plenty of parking nearby

The Lady:

Fairly tall slim blond girl, probably a little older than her bio. Attractive, but the 'red dress' pictures on the web site have in my opinion been 'enhanced' - don't fall in love with these - look at the others, they will give you a better understanding of the girl you are to meet.

The Story:

Not too long a wait before Clio came into the room; we got rid of the paperwork, stripped and got down to business.

A little kissing, some wanking, before onto the bed for some OWO. Nicely done, with a little more wet hand wanking between mouthfuls. Cowgirl (well executed) and some doggy, before turning over for the finale in missionary. Clio brought matters to their conclusion by 'tightening up' as I guess she was beginning to consider the time. A satisfactory if not mind blowing half hour.
