The Premises:

A very discreet, modern house on a busy road next door to a garage. It was very clean inside although the bedroom was a bit cramped. It was a really awkward to get to location between Welling & Bexleyheath.

The Lady:

A very petite, dusky Columbian girl with medium size breasts. I would estimate she is late 30's early 40's.

The Story:

A business like session which was only enjoyable because she had a trim figure although with a slight tum. She gave me covered oral while I was standing and this progressed to sex in doggy position with us both standing. I wasn't feeling that great and I doubted I could come if I had continued so I opted to be finished by hand with us laying on the bed. This at least gave me an opportunity to play with her breasts.
