The Lady:

As shown in her pictures, Stacey has a full and very eye-catching figure although her hair is brunette now. She is a confident lady who is easy to talk to and very positive in her manner.

The Story:

This was a late alteration of escort once I found my initial lady was absent through illness. But Stacey turned out to be a brilliant lucky chance. She has a figure built for sin and enjoyment and is happy to let you get the full benefits with her proactive can-do attitude.

We started off with some kissing and light tongues before Stacey started working on my cock with her mouth and occasionally enveloping it with her very full breasts.

Then she readily agreed to 69 and it was full on, Stacey working well at her end and her pussy fitting and staying exactly over my mouth for a wonderful oral session.

Sex in mish was just as good with Stacey vocal in her appreciation and me happily working away and letting hands roam anywhere I wanted.

Wow. It felt to me like we were a pair made for each other and all praise to Stacey for enabling this session to feel that way.

I have got yet another favourite at Massage Northampton.
