The Premises:

A flat above an Indian restaurant close to Bexleyheath station. It was really shabby, curtains where the doors should be and grubby inside. There is only one access road to the flat and there were some workmen doing some building work on a new Italian restaurant.

The Lady:

For once the pictures are quite accurate. She is petite, dark skinned with soft natural B cup breasts and a pert bottom.

The Story:

The session was really difficult because Vivi spoke no English. She looked quite fetching wearing peach coloured shorts and a teeshirt. She gave me covered oral, but it was way to harsh to enjoy. I opted for sex in doggy position, but it was a real struggle entering her. That was mostly because of the poor foreplay and partly because I was a bit tired. I could tell I was a bit too big for her so I withdrew and asked her to finish me by hand. This provided the opportunity to fondle her soft, shapely breasts.

I would not visit that address again because it felt very insecure.
