The Premises:

Entrance was the back door to the shops and up some stairs. Parking was safe and secure.

Buzzer entrance through door and then a security gate at top of stairs.

Room was clean and tidy with a fantastic bed, built on a pyramid style base. Mirrors on wall to see the action.

Maid was polite and introduced me to Jordan.

The Lady:

Jordan was attractive and chatty. About 5'2' and with long dark hair.

She wore a blue basque and black knickers.

A lovely lady with a great personality

The Story:

Jordan entered the room and as soon as she got on the bed introduced me to her lovely and natural boobs, known as Ronnie and Reggie. They were fantastic.

Jordan kissed nicely, with a little tongue play.

She got me well prepared, and gave superb covered oral, including ball licking.

Then onto her back, legs wide open, for the main event.

I certainly enjoyed it and I think Jordan did, particularly as she described it as getting my full throttle!!

Jordan is attractive, well proportioned and good company.

A lovely punt in a good parlour. In actual fact it was one of best punts for a while.
