### The Premises:

### The Lady:

Sexy as they come. Face and body like a Victoria's Secret model. Looks exactly like photos. Blonde long hair, sexy blue eyes, Angel in disguise!

### The Story:

Jenny's prices are the same for both in and outcalls, so I obviously wanted to get her round mine. Shes more expensive than most of the girls ive been with but worth it if to treat yourself. I guess shes pricier cos shes one of the sexier ones out there. Her body is cracking and the things her mouth can do...wow ;) Jenny gave me an insanely sloppy blow job, spit everywhere...just how I like it. Her pussy tastes sweet and clean and she moans away the whole time which is proper naughty. Don't let those sexy blue eyes fool you. She might look like an angel, but shes a wild card in the bedroom. We did every which position she could think of, I felt like I was in a porno, with me as the main character haha. I had a great time with Jenny and will be back for more in the future!
