The Story:

I'd been on holiday for a couple of weeks and was feeling extremely horny after no intimate action for a while so called up this familiar agency. I had good experiences with their girls before and know they're one of the cheapest around. Tiffany came to my door within about an hour and half, so was fairly easy to arrange again despite me having to speak to two receptionists before being given Tiffany's number to set a time. Tiffany is a generically attractive blonde girl with a good pair of tits on her. Shes not breathtakingly hot, BUT shes incredible at her job. Her blow job technique is one of the best ive had in a long time, and she lets you CIM and swallows it. She slobes all over it, deep throats and looks up at you the whole time which many girls don't make an effort to do. We shagged for a good 30 mins, loads of different positions. Doggy was the most enjoyable because she arched her back properly and looked back at me until I came. Tiffany is a fun time girl who will spice up your boring week day evening. Go for it ;)
