### The Premises:

So so area the parking was tricky around the Back of her house all garages so a bit of a risk hoping the garage number matched the house number, the place seemed clean enough but the only cleaning facility was a hand basin with a slightly damp towel hanging in it ???

### The Lady:

Big girl fairly attractive nothing like her profile picture tattoos on her arms and on the back of her left hand

### The Story:

Ok so I phoned earlier and explained that I wanted anal when I arrived she again asked what I liked and I said normal sex and anal she asked if I wanted oral and I agreed (with protection) she then proceeded to suck me for a bit before asking me to suck her tit while she gave me a hand job and wanted me to cum (in the condom) so I clean up a bit and then she tells me that she is too tired for anything else and has a cum once policy I was fairly miffed as you can imagine so got dressed and went. All in all I felt conned and would not recommend this girl as 60 quid for a lack lustre blow job and cumming in a condom (all in 1/2 hour) is not my idea of value.
