The Premises:

Just moved in to a nice house in a village just outside Lincoln. House was clean and discreet. Very safe area.

The Lady:

Exactly as the photographs if not better. Slim and busty. Very attractive lady.

The Story:

Phone call in the morning arranged the meet. Address detail sent by text. I arrived on time, called as instructed and was let in the door. The room was very nicely done and very clean. We did the paperwork and got on with a delightful GFE. Lots of kissing, undressing and oral. I could have let her do that all day. Well, perhaps there may have been a sudden interruption! Her skills in that department are awesome. I'll leave the description of the rest of the session to your imagination. Nina is a real expert and well worth a visit. Treat her well, she's a star!
