The Lady:

Mindy is a blonde hottie with a great body - great tits and ass and a pretty face. I was looking forward to meeting her.

The Story:

Mindy is a sexy kisser and is guaranteed to give you a raging stiffy in no time. She gave me a fantastic massage and sorted out those tight muscles in my shoulders. She is very experienced at this and knows all the pressure points and how to release stress in a very sexy way. She also gives some great OWO. She spat on my end and got me loosened up as her lips and tongue worked my bell end until I was going crazy with pleasure.

Before we got down to the screwing, we enjoyed a nice 69. What a juicy little pussy I must say. She tasted so good and worked my throbbing knob like a pro. I soon changed the position so I could slide my dick into her pussy. She is so tight that I had to moderate my usual fast and loose style or I might have came a bit too soon. But not even this hottie could ruin my stamina and we kept it going in a variety of positions including cowgirl and spooning. Very hot hour with Mindy.
