The Lady:

Curvy brunette with a cute face and massive boobs. Adelie was 21, eastern European (I think Hungarian) and matches her photos.

The Story:

Adelie is a very busty brunette with incredible 35D boobs. My friend from London recommended her to me and I took him up on the offer when I saw her profile and saw her figure and her big boobs. She arrived in a red cardigan and black tight jeans which showed off her arse, which is also pretty good. After a nice chat, she gave me a little erotic dance while stripping off and stroking me. She then did OWO which did the job and got me ready for a wild ride. What intrigued me about Adelie was that she had a very sophisticated and romantic personality with a fiery and energetic personality in the bedroom. The main thing about Adelie is her ginormous boobs which were super fun to touch when fucking her from different position, my personal favorite being from the cowgirl position where I could see her boobs bouncing up and down while she rode me good. She looked good from all angles as her arse was also curvy. She also looked great all wet when I fucked her in the shower and ended with CIM after a pretty long session. Adelie was a great shag and a very nice girl and I would recommend her to anyone.
