### The Story:

I was looking for a thai MILF encounter and that's whay I got. The agency had told me that Pinky was older looking than her website photos. There are more up to date photos of her on other asian websites where she goes under the name Prem/ Pren.

Couldn't have been a better start with Pinky grabbing me and starting DFK with the front door still wide open. This was going to be good. Pinky was wearing a white push up corset affair with white fishnet stockings and heels. Into the bedroom, present exchanged and the hugging , DFK, groping continued. I asked for a quick shower and Pinky explained that she had only just moved in to this apartment the day before and there was a problem with the shower .. no hot water , so a cold shower it was .

Back to the bedroom and we grabbed each other and carried on where we left off. I got her on her hands and knees on the bed with her head down and got around behind her and gave a good licking to everything in site. Finger play in both holes and Pinky was warming up. Flipped her over and sat astride getting the old fella between her very ample breasts for a while before moving up a little to pop it in her mouth. Good OWO but she couldn't manage DT. On with the condom and after some mish went into spoons before turning her a little and lifting her legs in the air. Time to test Pinky's A-levels. Plenty of lube and gently at first as requested it slipped right in. In fact after a few minutes she took the whole length and by now I wasn't holding back and her feet were up by her shoulders. By the end she had a cock in her arse and two fingers in her pussy and we were making a fair bit of noise. Off with the condom to shoot straight up her tummy. End of round one and needed another shower. Walked into the bathroom followed by Pinky who sat on the loo and started

peeing at what sounded like 30 mph. She sat there giggling so I just went and snogged her face off while she continued.

Cold shower completed back to the bedroom to find Pinky sprawled very sexily on the bed now dressed in shiny black tights and a half length silky cream wrap half undone. It then just got very tactile with non stop DFK, roaming hands, fingers, mouths and tongues. All very erotic and I can confirm that Pinky does take a CIM.

A third and final cold shower , Pinky showing me some photos from her recent photoshoot that were too rude for her website profile, another long snog and out of the front door a good ten minutes over time.

Very good indeed.
