The Premises:

A modern, clean flat near Woolwich station. It is right by the Crossrail project.

The Lady:

A young Romanian girl, probably not the one in the photo, but she was friendly and had a lovely little figure. Nice B cup breasts with large areolas and a pert bum.

The Story:

Although there was a language barrier, Patrecia was fun to be with. There wasn't much by way of foreplay because I was sufficiently aroused after fondling and sucking her soft breasts. We had protected sex in three positions, missionary, doggy and with her on top. At one point I had to slow down because I was close to coming.

There are other girls who share the flat and the same person, presumably a maid, takes the calls and texts the postcode.
