The Story:

i entered the room and sat on the bed, chloe then entered wearing a beautiful black underwear set, as soon as she walked in i felt at ease, very comfortable, she walked over to me and gently kissed me while running her soft hands down my chest to my jeans, she proceeded to softly rub my cock through my jeans as i got hard. she then slowly undone my belt and dropped my jeans and boxers revealing my rock hard cock. as she pushed me on the bed and began kissing me again, believe me when i say she is an excellent kisser. she slowly worked her soft lips down my body and started softly kissing and licking my cock, i had to ask her to slow down as i didn't want to shoot my load too early, i wanted to savour the hour, so we had a nice cuddle and we softly stroked each others bodies, i was then ready to go again so she kissed me again(very passionately) and as i softly stroked her wet pussy she took my cock in her mouth again and gave me the best OWO i have ever had, i then asked if i could take her from behind which she was very keen on, we both finished together and my hour was up, but believe me i wanted more time with her, if only she didnt have another booking after me. i will definitely be seeing chloe again, treat her well fellas and she will reply in kindness.
