### The Premises:

The 'Garden of Eden' is on the Coventry Road on the outskirts of Birmingham. It's a bit of a run-down area and on a busy A Road. There is free on-road parking outside. The entrance is very visible from the road. Inside is OK-ish - I didn't use the showers.

### The Lady:

Julie is an absolutely stunning Italian lady.

### The Story:

Terrible - the worst I've ever experienced, despite Julie's great beauty. The main problem is the parlour - I phoned to ask about prices and was told £65 for 30 mins. I asked is that 'all inclusive' and was told 'yes'. Turns out everything except sex and covered oral is extra - you could pay a fortune. So no kissing (£20!!!), r/o (didn't even ask!) or anything else. To make matters worse when I did get my cock inside her she held on to it so that only half went in. My God!!

I just lost interest very rapidly and left angry and annoyed that I'd let myself be so ripped off.

My suspicions should have been aroused when I saw that there are only three other reviews on this site - all badly written and by the same person. Also if you click on the website link in those reviews it doesn't work. I think those three reviews should be taken down.

Avoid this place at all costs. There are plenty of parlours and independent girls in Birmingham and elsewhere where you can get a great, full-on service at a reasonable cost. This is just a rip-off joint.
