### **The Premises:**

Basic place near Leytonstone station although she said she may be moving but staying in the area

### **The Lady:**

Really nice figure. Nicola was wearing a lovely dress that showed off her figure; small tits (great british handful), lovely ass. Most of all, great kisser

### **The Story:**

Nicola is a really passionate kisser who also happens to give great head. She is cheap, but enthusiastic and doesn't rush you.
