The Premises:

Fingertips reopened in October 2016 after a summer closure. Now under new management, it continues to be very well run. The madam is friendly and helpful, and the rooms are exceptionally clean, comfortable and well-appointed. There was no rush and I got my full 30 minutes. Once again, Fingertips has become the best parlour in the Potteries, and, despite the closure of other local places, Fingertips' future seems assured.

The Lady:

Angel is a tall glamorous blonde in her early thirties, with a pretty face, and a very nice personality. She has a really lovely toned figure, with perfect boobs and superb tanned skin.

The Story:

Angel wore a sparkly bikini and matching sparkly high heels, and she looked very sexy. She gave a real girlfriend experience with very good oral and very sensuous behaviour. She is my favourite lady, and I hope to be seeing her again soon.
