### The Premises:

As previously reported, a flat above a small parade of shops on Purley Way. Clean and comfortable with a shower available. The only downside is that the entrance is rather exposed although I don't think that anybody noticed me coming or going.

### The Lady:

Caroline is an English brunette in her mid 20s, petite size six with green eyes. She is naturally attractive, sexy and very friendly. She used to work at Debbies in Anerley which, unfortunately, closed last year. Her positive reviews from her time at Debbies can still be read on Punternet.

### The Story:

I phoned up for a short-notice booking and the maid told me that Caroline was working and described her to me. Often a maid's description of a WG is nothing like the girl you actually meet but on this occasion it was 100 per cent accurate.

On arrival, the maid showed me to the bedroom and Caroline entered a few moments later. The basic fee for 30 minutes was £60. DFK costed an extra £10. As Caroline was gorgeous, I paid the extra £10. It turned out to be money well spent. OWO was also available for a further £10 although, to my regret afterwards, I passed on that offer.

With the paperwork completed, the session started off with lots of mutual caressing and DFK. Caroline was happy for me to pay with her clit but doesn't like to be fingered. She then gave me a covered BJ before we moved on to cowgirl sex and I took her on the edge of the bed and gave her a long, hard shag which got her groaning alot. As I was starting to tire, I asked her to finish me off by hand which she was happy to do.

Caroline genuinely seemed to enjoy herself. I certainly did. Highly recommended.
