nice place, small but everything you needed and certainly clean enough.

The Lady:

Nice height, typical Russian looking, like stunning with a twist kind of thing. great body

The Story:

Rozana had an amazing body, she was great looking, typically Russian look which was great but her body Jesus that was amazing. If you like blonde, slim girls with pert beautiful breasts then this girl is for you.

her English is good enough for a conversation and she does try hard to make you feel at home and welcome. her smile is very cheeky too so makes you feel comfortable and welcome.

One of her stand out features is her lips which are amazing. When you are kissing her full on you can feel them being squishy and firm at the same time which is amazing. But when she is sucking your cock and you look down on her and see them wrapped around your cock it is very very hot, it's hard not to cum to be honest!

Her legs are long and slim and toned and when she is riding you or your fucking her they offer great leverage and wrap around you.

all in all a great girl with a smoking hot body and whos good at sex, whats not to like.
