The Premises:

Nice clean and tidy establishment, plenty of convenient parking quiet location.

The Lady:

Nicola is completely stunning, she is far more beautiful than her photographs portray her to be. she is slim but very curvy with a smile that lights up the room.

Her personality is wonderful too, great fun to be with.

All in all just a joy to spend time with.

The Story:

I have visited this establishment many times, looking for the perfect lady to spend some time with, on this occasion i had deferentially struck gold!

Nicola walked in to the room and simply took my breath away with her ineradicable beauty, her wonderful personality and to be honest a body to die for, so very sexy and with so much class too.

We kissed for a while, this was a lovely gentle sensual kiss, it seems to be so natural to this lady, then we had some oral this was just the best i have ever experienced, this lady obviously enjoys what she dose, you can feel the connection with every touch.

Then on to sex. this was the most amazing session i have had, and with a lady that i barely know. so genuine gentle and incredibly passionate but real, not fake as it can be some times.

So gentlemen, if you are looking for the ultimate GFE then look no further. Nicola most defiantly is the lady for you.

Although i am a bit reluctant to share her, she deserves to do well. Treat her with respect and be gentle you will be rewarded.

Be assured chaps you will not be disappointed.

And that is why i have booked to see her again tomorrow!!

see you tomorrow Nicola. xxx
