The Premises:

Ariel has a nice small flat a few minutes walk from Queensway station. Clean and fit for purpose with an in bath shower just big enough for two.

The Lady:

Ariel is the girl in the pictures, slightly older, but every bit as pretty. What you don't see in the pictures, or in the video on Olina's site is the she is fun and naughty and very very good at being super sexy. Seriously this girl knows all the moves to make you hot and bothered

The Story:

I had a great time with Ariel. She has a great body, speaks pretty good english, not great, but enough to have a chat. She's fun and naughty and likes to play. Ariel is slightly crazy the way some of the Thai girls can be, in a good way that is. She's not shy, doesn't try to smother you with wet wipes, looks, smells and tastes good, and doesn't make a lot of fake noises while you're busy working :-). Her OWO skills are really good, slightly different technique, not sure quite how I'd describe it, but it worked for me :-). She was mostly focused on me ... just a bit of phone stuff, but to be fair I started that myself. The sex was good, I mean sweat drenched, heavy breathing good, she wants to make you have a fun time, and really if you're into pretty, sexy girls you're going to have a great time.
