The Premises:

Clean Easy to find, good parking (ask for directions into yard) Descrete Good shower that works !

The Lady:

Helena I guess is late 20's & comes from Rumania she has good English and that lovely eastern european twange to her voice.

She is quite small but perfectly formed with nice small round tits and that nice space between them.

She is shaved with no tatoes and a lovley clit to look at and feel

Just about the right amount of chit chat & encouragement and not a clock watcher

The Story:

The Best Rub & Tug place I have been too !!

Highly recommend if you have just been to the dentist

Thanks for everything Helena if you read this
