The Story:

Had a good feeling about this encounter and in no way was I disappointed. Dianne is very much my type and we got on from the starting gun as if we'd been friends for some time. We stripped off quickly Dianne making appreciative noises about Uncle's Sloggi for Men Tangas (sadly no longer made at least in white, I'm on my last two dozen),

Lots of kisses and cuddles and explorations. Her breasts have pert nipples and are nice to suck.

Now Dianne has had three children so there are some wrinkles round her tummy. Great legs and a bottom that makes me want to drop to my knees and worship it. Her face, and particularly her eyes, is a delight. She's an intelligent woman and is good to talk to.

She loves to have oral and tastes delicious as well as responding well. She delivers good oral too. I was asked what my favoured position was and replied doggy and lying down doggy. So we began with these and in a prolonged bout of LDD Dianne moaned and clearly was close to orgasm. I speeded up and thrust harder and was rewarded by a real shudder and a growling noise indicating she'd got there.

After we'd got our breath back she rode me in cowgirl very strongly and managed to get me close to a cum. Dianne became, actually we both became, very wet down there and I suddenly realised she'd had a little squirt.

The hour passed all too quickly. I will see her again and again as Dianne is very much on my wavelength. These are commercial transactions but that doesn't for a minute exclude friendship.

I'm confident Dianne and I will become good friends albeit within the boundaries of the commercial.

Next time I see her it will be for longer.

Her rates are at the top of what I will pay in Herts but I felt I'd had good value.
