### The Premises:

Discrete location ,behind the high street with a car park right outside. Inside there are various rooms and showers available if you want one.

Nice big bedrooms with smart decor and lots of mirrors!

### The Lady:

Stunning petite blonde , very classy European babe , this lady is very well presented in sexy lingerie and high heels. Lovely figure with natural boobs and peachy bottom. Intelligent , eager to please and fantastic to be with. The ultimate gfe.

### The Story:

I have just returned from my 3rd visit to see Pearl and I can not wait be with her again . I saw her photos but they can't do her justice, when you meet her you see that she is really gorgeous, has a lovely personality with model looks , I don't think I will ever need to see any other lady now !

Each time has been a fantastic experience , Pearl is passionate and sexy as hell, she wants to make sure you have can great time, great kissing , wonderful oral and fantastic sex in various positions, every thing you want when you are with a girl.

If you are thinking about seeing Pearl I would do it soon , this girl is going to be really popular and bookings will soon go quickly.

I would recommend Pearl to any gentleman with good taste and wants a quality punt.
