The Premises:

Very nice basement flat about 5 mins walk from Barons Court station and was very warmly welcomed by the lovely maid and shown to a very nice and clean room with great shower facilities and was offered a drink and felt relaxed(but obviously VERY excited too!)

The Lady:

Seven is an absolutely stunning and beautiful woman with a killer smile(and body of course)She wore THE hottest black lingerie too and looks even better in the flesh than in her photos!

The Story:

I waited very excitedly for Seven to enter the room and was completely knocked out when she did both by her beauty and perfect toned body but also by her VERY friendly smile and demeanor and she had me at 'full attention' once she kissed me with those perfect kissable lips!Seven absolutely loves kissing and if I didn't want to do all the other hot things I did with her I could spend the 30 mins just doing that.She also loves performing oral and she gave me the best OWO I have ever had and I couldn't wait to return the favour on her and boy does she tastes good and I felt so good making her cum with my mouth before we continued in a 69 position that I had to stop before I came myself!On with the rubber(which she put on SO sexily with her mouth)and into missionary where we could kiss passionately again and then finishing with doggy and the sight of her perfect arse bouncing and crashing against me and hearing her moan and cum again was just too much and she sucked and stroked my throbbing cock till I exploded into her hot mouth and draining me completely.She cleaned me up and the great thing about her(apart from all of the above)is that she is just such a sweetheart before and after and you could either have a perfect PSE or GFE or both with her.It was just a pity that I could only spend 30 mins with her and it was the quickest 30 mins of my life but I will DEFINETLY see her again and spend more time with her-I think she could make me cum at least 3 times in an hour!If you get a chance to see her Guys-you simply MUST-its satisfaction guaranteed and she should have called herself TEN not Seven coz shes a perfect TEN!
