The Lady:

Looks older than 23! But still quite hot. Long dark hair, blow job lips, good body. Just be aware of her not being 23 probably.

The Story:

As usual I was feeling horny on a boring week day and wanted some fun. I fancied seeing a young hot girl and Dorinda caught my eye. I got her over to mine as her prices are ok and its easier for me that way. Her profile says shes 23 but after seeing her in the flesh, I'd add a few years on. This isn't much of an issue as shes still hot but I prefer girls im meeting to be honest with me about their age. Dorinda and I were texting and arranged for her to come to mine at 8.30pm. Now I understand these girls are busy but showing up 45 minutes late is rude in my opinion.

Moving on to the juicy stuff, Dorinda is a sexy girl and knows ho0w to please. Her blow job technique is great and she obliges to whatever you ask her. I got her to deep throat me and she did it with ease, as if my dick was made for her throat haha. I CIM but she didn't swallow as apparently we hadn't arranged for that on the phone. It's fine though as I still had a good time after doing loads of different positions and managing to finish again. Dorinda is sexy and knows what shes doing, but she might show up late and you have to tell her exactly what you want before meeting, or she won't do it.
