The Lady:

Black caribbean girl. Her profile mentions she's British Jamaican and yes she's definitely British. Not African.

Very attractive with fit size 10 with about 36c boobs with gorgeous long nipples. Nice bum.

The Story:

Wow!! What can I say! I was pleasantly surprised to see such a hot babe, and certainly, in the flesh she was much better than her pics.

None of the crap attitude you get with some black girls. Cherry was very polite and very friendly.

Really liked her laid back personality. Put me at ease straight away.

Nice back rub followed by mind blowing owo. She had such an amazing technique and hate to say I didn't last long. (She did allow cim).

Second part consisted of more owo followed by shagging in mish, and doggy and standing up.

We tried various positions.

What I really like about Cherry is that she's such a hot girl but really puts an effort into what she does.

Being a veteran punter it takes a lot to impress me as many will know.

It takes even more before I decide to write a review.

However I've seen Cherry about 9 or 10 times now, (mostly outcalls to my place) and each time, she has really impressed me.

Amazing girl with a super personality and 100% effort.

Top girl.
